St. Patrick's Day

St Patrick was born at Kilpatrick in Scotland in 387 A.D. He was 16 years old when he was captured by Irish marauders and sold as a slave to a chieftan named Milchu in Ireland. He lived in Ireland for 6 years as a slave. In a dream he heard a voice, believed to be God who told him it was time to leave Ireland. He escaped and became a priest. He was sent to Ireland by the Pope Celestine I. He taught Christianity to the Irish people.

Irish Blessing

May the road rise to meet you,
May the wind be always at your back,
May the sun shine warm on your face,
May the rains fall soft upon your fields,
and until we meet again,
may God hold you in the palm of his hand.

There are many pairs of glasses that have been found. If your family member is missing glasses please notify Heather and we can look through the glasses that are in my office.
